

Davis School Support Program Terms and Conditions:

Eligible Schools

Eligible Schools will have an official 501(c)3 nonprofit status and will primarily serve children grades K-12. Davis Food & Drug has the ability to determine which schools meet eligibility, and can accept, decline, or remove any school from the School Support program at any time. Schools must be Utah-based and be located within thirty miles of a Davis Food & Drug store.

Purchases

Eligible participants must be Davis Rewards members, must be residents of Utah and must be 18 or older.

For schools to earn a donation, participants should link their Davis Rewards accounts to a school of their choice. Each Davis Rewards account may be linked to one participating school of their choice and can be updated at any time by the participant. All linked accounts will be cleared at the close of each School Support year. All participants will need to reenroll in the program to participate for the following year.

Eligible purchases will be required to use a linked Davis Rewards program for tracking purposes. A phone number must be given at time of purchase or the sale will not be tracked and points will not be earned for the participant's school. The purchases of the following will not earn rewards for nonprofits through School Support: gift cards, tobacco, alcohol, pharmacy expenses and government assisted programs. Sales tax is also excluded from costs.

By agreeing to these terms and conditions, you agree to hold Davis Food & Drug and their School Support program harmless in connection of incorrect identification of any person.

Terms

School Support is free and no payments will be accepted on behalf of a participating school. Proceeds from School Support may not be used at grocery stores other than Davis Food & Drug or for political or legal funds. Davis Food & Drug reserves the right to accept or decline any school from participating in the program, regardless of the program's focus without cause or explanation, and without notice to the School. Schools have the ability to terminate participation from the School Support program by sending a written letter to: Davis Food & Drug, 575 West Main Street, Vernal, UT 84078. Davis Food & Drug has the ability to terminate any program at any time. School Support is void where prohibited by law.

Donations

Eligible purchases made by approved program participants will be calculated on April 1 each year. Donation amounts will be calculated and determined by Davis Food & Drug based on participation. Participating schools are eligible to earn 1% back on sales of linked accounts up to \$10,000 per school. Participating schools are not guaranteed a donation. Schools that do not reach a minimum donation of a \$100 will not qualify to receive a donation. Once a cap of \$200,000 is met, all donations will stop accumulating even if it is prior to April 1. All schools will need to reenroll in the program to participate for the following year.

I have read the terms and conditions for Davis Food & Drug School Support program and agree and comply with all terms and conditions and donation processes associated with School Support.
